Seller, reserves the right to make substitutions of comparable materials, without notice to the Purchaser in order to continue to construct the project within the proposed timelines.

Such schedules merely reflect Seller's desire at the time prepared and may change in the sole discretion of Seller at any time. Seller reserves the right to change the sales price of any and all other Condominium units in Seller's sole discretion at any time and without notice. Seller makes no representation or warranty as to the future value of the Property. The value of the Property may increase or decrease in the future.

Seller hereby gives Purchaser notice that Seller has reserved certain rights as the "Declarant" under Condominium Documents, which is recorded or to be recorded prior to Closing. Purchaser is advised to review the Condominium Documents carefully for a description of such rights.

6. Limited Warranty. Purchaser acknowledges and agrees that the only express warranty given by Seller to Purchaser relating to the Unit is that limited warranty described in the attached Limited Warranty Addendum attached to this Addendum as **Exhibit "A"**. **Purchaser acknowledges that Purchaser is aware of, has read, and has full understanding of the provisions of Miss. Code Ann. § 83-58-1, et seq., which is also known as the Mississippi New Home Warranty Act.** Purchaser further acknowledges that the terms of the Limited Warranty Addendum are consistent with the provisions of the Mississippi New Home Warranty Act and are clear, specific, and sufficiently detailed to establish the only standards of construction which Seller is obligated to meet.

For breach of the limited warranty, damages incurred by Purchaser are limited to the lesser of the cost to repair or replace the defective item or the decrease in the market value of the item affected because of the defect. In no case shall Seller be liable to Purchaser for punitive, incidental, speculative, or consequential damages as a result of any breach of the limited warranty. Seller disclaims all other warranties, written or oral, express or implied (other than the warranty of title set forth in the Deed), including warranties of merchantability and warranties of fitness for a particular use, regarding the improvements, fixtures, equipment, materials, or other property located on or being a part of the real property sold to Purchaser pursuant to this Addendum. No sample or model has been made part of the basis of the bargain or has created or amounted to an express warranty that the whole of the goods would conform to any such sample or model.

Purchaser, by signing this Addendum, waives any claim or cause of action against Seller and any contractors or vendors hired by Seller under any theory of implied warranty of good and workmanlike construction and that any such implied warranty, to the extent it exists in Mississippi, is expressly replaced by the terms of the limited warranty. Seller specifically disclaims, and Purchaser specifically waives and releases Seller and any contractor or vendor hired by Seller, from any claims or liability for incidental, special, indirect, or consequential damages to any person or real or personal property, in or resulting from a defect or flaw in any construction or materials. Seller makes no representation or warranty concerning any geological or environmental matters and specifically excludes geological and environmental matters from the limited warranty. Purchaser hereby acknowledges and accepts such disclaimers and waives any and all rights Purchaser may have by virtue of the representations and warranties disclaimed. Except as otherwise provided in the limited warranty, Purchaser assumes the risk of damage occurring on or in the Unit after Closing, regardless of the cause.

At Closing and evidenced by the conveyance of title to the Property, Seller will assign to Purchaser all assignable manufacturer warranties on equipment and consumer products incorporated into the Unit, such as ranges, dishwashers, and other appliances or equipment. Seller makes no warranties of any kind, express or implied, concerning the equipment or consumer products and expressly disclaims all implied warranties of merchantability, fitness of use for a particular purpose, and any other warranties to the fullest extent permitted by state or federal law. Purchaser understands that the warranty period is defined in each warranty and shall begin to run from a date which may be a different date than the date of Closing, but in no event shall the warranty period begin on a date later than the Closing Date. THE TERMS AND PROVISIONS OF THIS SECTION SHALL EXPRESSLY SURVIVE CLOSING.

7. Disclaimer. Purchaser and Seller acknowledge that they have not relied upon any advice, representations, or statements of Brokers and waive and shall not assert any claims against Brokers involving the same. The term "Broker" as used herein, shall mean those parties listed at Selling Broker and Listing Broker in the Contract. Purchaser and Seller agree that Brokers shall not be authorized to advise Purchaser and Seller on any matter, including but not limited to the following: any matter which could have been revealed through a survey, title search, or inspection of the Unit; the condition of the Unit, any portion thereof, or any item therein; the necessity or cost of any repairs to the Unit; hazardous or toxic materials; the tax or legal consequences of this transaction; the availability and cost of utilities or community amenities; the appraised or future value of the Unit; any existing condition(s) of the Property; the terms, conditions and availability of financing; and the uses and zoning of the Property whether permitted or proposed. Purchaser and Seller acknowledge that Brokers are not experts with respect to the above matters and that, if any of these matters or any other matters are of concern to them, they shall seek independent expert advice relative thereto.

8. Notice of Membership in Condominium Owner's Association. As a purchaser of the Unit, Purchaser is obligated to be a member of the Association. Restrictive covenants governing the use and occupancy of the condominium property and the dedicatory instruments governing the establishment, maintenance, and operation of the condominium property have or

will be recorded in the Office of the Chancery Clerk of Lafayette County, Mississippi. Copies of the restrictive covenants and dedicatory instrument may be obtained from the Chancery Clerk after recordation. Purchaser is obligated to pay assessments to the Association. At Closing, the following fees/assessments will be paid by the Purchaser to the COA management company: 1) dues for the month of closing plus the next quarterly assessment; 2) a one-time COA Reserve Fee in the amount of \$400.00, and 3) Transfer Fee to the Association's manager in the amount \$150.00. The amount of each assessment is subject to change and is not controlled by the Addendum, but rather actual costs and reserves as determined by the Association and/or Association's Manager. Purchaser's failure to pay assessments to the Association could result in a lien on and the foreclosure of the Unit.

9. Attorney's Fees. If a legal proceeding is commenced in connection with a dispute between Seller and Purchaser arising in connection with the Contract or this Addendum, then the prevailing party in the proceeding will be entitled to recover from the non-prevailing party its reasonable attorney's fees, expenses, and court costs. This Section shall survive Closing or earlier termination of the Contract or this Addendum.

10. Dispute Resolution.

(1) Prior to Closing. If a pre-Closing dispute relating to the transaction described in this Contract cannot be completely resolved to the satisfaction of Seller and Purchaser prior to Closing, then Seller, at Seller's sole discretion, may, on giving written notice to Purchaser, terminate this Contract whereupon the Earnest Money Deposit will be returned to Purchaser, notwithstanding anything to the contrary in this Contract. Purchaser agrees that Purchaser shall have no cause of action against Seller because of such termination by Seller.

(2) After Closing. After Closing, the parties agree to mediate and arbitrate any disputes in accordance with the Condominium Documents, as applicable. Purchaser acknowledges that any construction defect pertaining to the Unit or common elements of the Condominium will be resolved by mediation and binding arbitration in accordance with the rules of the American Arbitration Association.

(3) Waiver of Jury Trial. Seller and Purchaser each knowingly, voluntarily and intentionally waive the right to a trial by jury with respect to any claim or dispute arising under this Contract.

(4) Survival. The provisions of this Section 6, 7, 9 & 10 and the Limited Warranty Addendum shall survive Closing or termination of this Contract.
